*Weight does not include transit case or customer supplied equipment.	

Options

-Transit case

Warranty

Three-year, parts and labour

EMCON's EMI cabinets are individually tested by a Certified TEMPEST Professional (CTP) for shielding effectiveness. A shielding effectiveness test report is a deliverable with every unit.

With customer-supplied equipment, these cabinets can be certified to NSTISSAM TEMPEST/1-92, Level I; CID09/15A, Level I; and SDIP-27 Level A (providing the equipment and associated systems are installed to the requirements identified in SDIP-29).
